

DESIGN AND PRICE GUIDE

Custom illustrations are a beautiful way to add a truly personal touch to your wedding stationery. Whether it's a hand-drawn sketch of your venue, a bespoke couple portrait, or an illustrated map for your guests, these designs are created just for you and reflect the unique story of your day. At Aura, we specialise in detailed, one-of-a-kind artwork that can be used across your invitations, signage, and keepsakes. These illustrations not only elevate the design but also become timeless mementos you can treasure long after the celebration is over.

understanding OUR ILLUSTRATION PROCESS

STEP ONE: Initial Sketch (3-4 weeks)

The initial sketch will be sent to you within 4 weeks of your paid deposit (unless discussed at time of booking). Once you have received the initial sketch, you may ask for any amendments.

If we are working from photographs, we can sometimes miss small details, at this point, let us know to add those on!

TIP: The quicker you get back to us after we send your proofs, the quicker we can finish your illustration/s

STEP TWO: Final Sketch & Colour (1-2 weeks)

If you have paid for a colour version, we will colour your sketch. Changes to colour and texture can be made after this time.

Now it is time to add them to your stationery!

Common FAQs - ILLUSTRATIONS

Here are some common questions we get about Illustrations

I would like a seasonal drawing, is this possible and how much would it cost.

We can design your venue illustrations to fit the season you are getting married.
There is no extra charge for this.

What is included with the digital price option?

You will receive a high quality PDF, which gives you an automatic license for personal.
This means you can use it as part of your wedding stationery or print and frame in your own home.

Do you illustrate pets?

Yes, we do! But why not enquire to see if we already have your pet's species illustrated.
If we do, you can use this as part of your illustration for free!
